In the event that there are no monies or Securities in such Account, CGS-CIMB may, notwithstanding anything in Clause 62, terminate such Account without giving notice to the Client.

14.2 The Client agrees to pay CGS-CIMB, in respect of the provision of the Transactional Services, such fees, commissions, brokerage charges and other charges at such rates as may be determined by CGS-CIMB from time to time, as well as all expenses incurred by CGS-CIMB or its agents with respect to the Transactional Services.

14.3 CGS-CIMB shall be entitled to convert any sum received by it (whether for credit into the Account or in payment of any sum due to CGS-CIMB) to the currency of the Account or (as the case may be) the currency in which payment is to be made, at a rate of exchange determined by CGS-CIMB. CGS-CIMB shall also be entitled to convert any amounts in the Account or otherwise standing to the Client's credit to any other currency for the purpose of carrying out his instructions or exercising CGS-CIMB's rights under these terms and conditions. The Client agrees that any exchange rate losses and costs of conversion shall be fully borne by him.

14.4 Any applicable taxes, stamp duty or levies imposed by law or required to be paid in respect of any monies payable to or received or receivable by CGS-CIMB or any expenses incurred by CGS-CIMB, shall, except to the extent prohibited by law, be borne and paid by the Client and CGS-CIMB shall be entitled to debit the Account for the amount of such taxes and levies.

14.5 The Client acknowledges that from time to time, CGS-CIMB may receive commissions, discounts, fees or otherwise in connection with or in relation to the issue of Securities to or for the Client or other dealings in respect of or relating to any Securities or Investment Products and/or Services for the Client. The Client agrees that CGS-CIMB may retain for the benefit of CGS-CIMB and without any obligation to account to the Client any commission, discounts, fees, or other monies which CGS-CIMB may receive from any providers of Investment Products and/or Services or other persons in connection with or in relation to the holdings, subscription, switching, transfer or redemption of Securities or Investment Products and/or Services or other transactions done or carried out by the Client with or through CGS-CIMB or any other dealings in respect of the Securities or Investment Products and/or Services.

15. Payment/Receipt of Monies

15.1 All payments which the Client is liable to pay under these terms and conditions (or any agreement entered into pursuant to these terms and conditions) shall be made in immediately available and freely transferable cleared funds, without set-off, counterclaim or other deductions or withholdings of any nature and shall be made free and clear and without deduction for any present or future taxes. If any deduction or withholding is required for or on account of any taxes, the Client shall pay such additional amount as is necessary to ensure that CGS-CIMB receives the full amount which it would otherwise have received had no such deduction or withholding been required. The Client shall further pay the full amount of such deduction to the relevant taxation authority in accordance with any applicable law. Where the Client makes payment by cheque, cashier's order, bank draft, in any other negotiable instrument or through Electronic Payment, the date of payment shall be the date when such instrument is cleared and full payment is finally received by CGS-CIMB.

15.2 Dealer's Representatives are not authorised to collect payment or to handle Securities on behalf of CGS-CIMB. The Client acknowledges that if the Client chooses to effect payment or to deposit Securities by delivering a cheque or Securities to his Dealer's Representative, such Dealer's Representative shall be deemed to be the Client's agent. Any payment or deposit of the Securities shall be deemed to be made only when CGS-CIMB receives the cheque or Securities from the Dealer's Representative and not when the cheque or Securities are delivered to the Dealer's Representative.

15.3 The Client agrees and irrevocably consents that in the event:

- (a) payments are made prior to the date for settlement of purchase contracts;
- (b) CGS-CIMB receives monies from, or on account of, the Client for the purchase of or holding of Securities, or the maintenance of any Account by the Client;
- (c) CGS-CIMB receives monies for the Account of the Client in respect of a sale of Securities;
- (d) CGS-CIMB receives monies from, or on account of, the Client for the purposes of managing the Client's funds via Trust Account; or
- (e) CGS-CIMB receives monies from, or on account of, the Client in the course of CGS-CIMB's business,

CGS-CIMB shall deposit such monies into the Trust Account. The Client agrees that CGS-CIMB may, for the purpose of depositing monies received on account of the Client which are denominated in a foreign currency in a Trust Account, maintain the Trust Account with a custodian outside Malaysia which is licensed, registered or authorised to conduct banking business in the country or territory where the account is maintained.

15.4 All Securities delivered or to be delivered to CGS-CIMB from time to time for custody must be in the required or regular form in board lots and/or odd lots (as the case may be) in good delivery order.

16. Payment by CGS-CIMB

16.1 Any payment by CGS-CIMB to the Client shall be net of any fees, commission, brokerage charges or expenses incurred in connection with the Transactional Services or any other sums which may be owed to CGS-CIMB and/or its Affiliates by the Client. Such payment shall be made by way of cheque or by Electronic Payment or in accordance with any instructions signed or made or purporting to be signed or made by the Client or any Authorised Person and will discharge CGS-CIMB from any liability to the Client or to any other party. Erroneous payments (as evidenced by the records of CGS-CIMB) made by CGS-CIMB to the Client will immediately constitute a debt owing to CGS-CIMB by the Client which must be immediately repaid to CGS-CIMB and which at the option of CGS-CIMB may also be recovered by way of set-off from future amounts held by CGS-CIMB for and on behalf of the Client or owing by CGS-CIMB to the Client.

17. Foreign Exchange Risks

17.1 All Transactions for or relating to any Account or any of the Transactional Services and any payments relating to or arising out of any of the Transactional Services, including but not limited to any fees, commission, brokerage charges or expenses incurred in relation to any of the foregoing, will be settled in Ringgit Malaysia or, if CGS-CIMB agrees, in any other currency requested by the Client, but at a rate of exchange determined by CGS-CIMB. The Client will bear all losses, damages, or costs that result from any currency conversion connected with any Transaction for the Account or any of the Transactional Services.

17.2 The Client further agrees and acknowledges that where the Client directs or instructs CGS-CIMB to carry out a contra trade or set-off in relation to any Securities denominated in a foreign currency (the "**Traded Currency**"), CGS-CIMB may in its absolute discretion effect such contra trade or set-off in either the Traded Currency or the Base Currency, and where such contra trade or set-off is effected in the Traded Currency, settle such contra trade or set-off with the Client in the Base Currency at a rate of exchange determined by CGS-CIMB.

18. Agents

18.1 CGS-CIMB is authorised to employ agents to perform all or any part of CGS-CIMB's duties hereunder and to provide information regarding the Account to such agents. At the Client's costs, CGS-CIMB may seek, and act on, an opinion or advice from any lawyer, accountant, consultant, information technology or services specialist, or other expert in respect of any obligations or performance of any duty or any other matter referred to in these terms and conditions and shall not incur any liability to the Client by acting upon such opinion or advice.

19. Dealer's Representatives

19.1 Unless otherwise notified to the Client in writing by CGS-CIMB, the Client acknowledges and agrees that, in respect of the Transactional Services, the Dealer's Representative shall be deemed to be the Client's agent whether or not such Dealer's Representative is deemed to be engaged or employed by the Client in law.

19.2 The Client acknowledges and agrees that there could be cases where a Dealer's Representative may be required to undertake the provision of services to the Client outside the premises of CGS-CIMB. CGS-CIMB will use all reasonable commercial efforts to inform the Client of these cases.

Part C : Trading in Securities

20. Instructions and Orders

20.1 CGS-CIMB shall be entitled to buy and sell Securities for or deal with monies in the Account or perform any other transaction or order relating to the Account upon the verbal or written instructions (including via e-mail), of the Client or any Authorised Person, but CGS-CIMB shall be under no obligation to give effect to any such instructions and is entitled to refuse to carry out such instructions without giving a reason for such refusal. In the case where CGS-CIMB does so give effect to any instruction or order, CGS-CIMB reserves the right to unilaterally cancel any transaction or recall any order prior to it being executed without providing or assigning any reason therefor.

- 20.2 Unless the Client specifically requests and such request is accepted by CGS-CIMB, any orders relating to Securities given by the Client are good only for the Market Day of the Exchange in which such order is given and shall thereafter lapse at the end of such Market Day.
- 20.3 The Client shall be solely responsible and liable for the actions or instructions of any Authorised Person(s). CGS-CIMB shall not be concerned as to whether an Authorised Person has been given the proper authority by the Client to act on its behalf. For the avoidance of doubt, CGS-CIMB shall not be obliged to verify with the Client or any other person the instructions given by the Authorised Person(s) purportedly on behalf of the Client.
- 20.4 The Client acknowledges and accepts that when placing orders for Securities, there will be times when a quoted price will change prior to the trade's execution due to market circumstances and that not all orders will be executed in chronological sequence with the order being placed. In such circumstances, the Client agrees to release CGS-CIMB from any liability arising therefrom.
- 20.5 While CGS-CIMB shall make reasonable efforts to ensure that the product information, pricing and rates on the Website are accurate, correct and current, there may be instances where inaccurate, incorrect or incomplete information, pricing or rate is inadvertently displayed. In the event such information, pricing or rate is inaccurate, incorrect or incomplete, CGS-CIMB shall have the right at its sole and absolute discretion, to refuse, avoid, nullify and/or cancel any orders placed or Transactions effected in the Account and any consequential transaction effected due to or arising from the inaccurate, incorrect or incomplete information. CGS-CIMB expressly disclaims liability for any losses incurred due to such errors, inaccuracy, misstatements or omissions.

21. Counterparty Risks

- 21.1 In the event of any non-open market transactions, the Client should ensure that he is aware of the identity of the contractual counterparty the Client is or may be matched with. Often, the Client will be purchasing an unsecured obligation of such counterparty and he should evaluate the comparative credit risk of such a purchase. If CGS-CIMB is the counterparty, the Client must note that CGS-CIMB deals with the Client at arm's length as his counterparty in relation to the said purchase. In such a case, unless CGS-CIMB agrees in writing or unless otherwise required by law, CGS-CIMB is not the Client's fiduciary, nor is it willing to accept any fiduciary obligations to the Client. Any dealing, trading or engagement or transaction with CGS-CIMB by the Client could result in a loss to the Client and a gain to CGS-CIMB. CGS-CIMB does not and will not give the Client any advice whether written or oral other than any representations expressly set forth in any relevant agreement and any confirmation which may be signed or executed by the Client after negotiations with CGS-CIMB as the counterparty. The Client's net returns from a transaction would also be affected by the transaction costs (which include, but which are not limited to, commission, fees and other charges) charged by CGS-CIMB. The Client should consider these costs in any risk assessment made by the Client. The Client should be aware that CGS-CIMB is engaged in customer-driven and proprietary activities in many markets. These general activities, as well as CGS-CIMB's hedging activities which are related to certain transactions entered into with the Client, may adversely affect the value of such transactions.

22. Margin Financing through Other Financial Institutions

- 22.1 In the event that the Client concurrently maintains a share margin account through a financial institution (other than CGS-CIMB) the Client authorizes CGS-CIMB to transfer any Transactions effected in that account to the Account should such financial institution so request. The Client agrees that the Client will remain liable for any contracts, Transactions and/or Transactional Services carried out or performed even if the same are not accepted by such financial institution (other than CGS-CIMB). Further, the Client shall always ensure that he has the requisite Securities in that other account maintained through a financial institution (other than CGS-CIMB) prior to giving any orders to CGS-CIMB to sell or dispose of the same failing which he will be liable to make good the shortfall or losses suffered as a result of there being insufficient Securities.
- 22.2 In the event that the Client obtains financing from a bank or other institution (other than CGS-CIMB) on an ad hoc basis, the Client authorises CGS-CIMB to deliver Securities to such financing bank or institution as the Client's Dealer's Representative may from time to time instruct. The Client indemnifies CGS-CIMB and undertakes to hold CGS-CIMB harmless from any and all losses, damages, liabilities, costs or expenses that may be suffered or incurred by CGS-CIMB as a result of acting in accordance with such instructions.

23. Delinquent/Disputed Account

- 23.1 CGS-CIMB may, in its sole and absolute discretion, report delinquent and disputed accounts to the relevant regulatory body or authority (including but not limited to Bursa Securities, BNM and Securities Commission) from time to time. The Client further consents to the reporting of the pertinent particulars relating to his Account, including, but not limited to, his name, address and NRIC/Passport number, claim amount and other appropriate information, in the event that his Account is classified by CGS-CIMB at its sole discretion as delinquent or disputed.

24. Suspension of Account and other Restrictions

- 24.1 The Client acknowledges that CGS-CIMB may impose any restrictions on, including but not limited to suspension of, dealing in any Securities in respect of the Account which CGS-CIMB or any of its authorised representatives considers appropriate for any purpose.
- 24.2 The trading of Securities in the Account is at all times at the discretion of CGS-CIMB and is subject to the Client's compliance with these terms and conditions. CGS-CIMB may at its discretion vary any trading limit applicable to the Account, or suspend or close the Account, and will not be obliged to give any notice to the Client or provide any reason for such variation, suspension or termination (including but not limited to any suspension or termination due to non-payment of any Secured Indebtedness, or the Account being dormant). CGS-CIMB will further have the right at any time to refuse to act on the Client's behalf, to refrain from executing any order of the Client, or to limit any purchases or sales instructed by the Client without having to provide any reason for such refusal to act.

25. General Right to Force Sell and Buy-In

- 25.1 The Client understands that if he does not pay for any Securities which he purchases by the due date of the purchase contracts, CGS-CIMB shall have the right to force sell any or all of these Securities at any time after such due date and at such time as it may in its absolute discretion decide. CGS-CIMB may (without prejudice to its rights under these terms and conditions), but need not, exercise this right on any day after the day on which the right to force sell first arose.
- 25.2 Any waiver of or delay in exercising the right to force sell any Securities by CGS-CIMB pursuant to Clause 25.1 shall not be regarded by the Client as an entitlement or right of the Client to the same at any time and shall be without prejudice to all other rights, powers and remedies available to CGS-CIMB.
- 25.3 The Client agrees that no short selling (this being the sale of Securities which are not beneficially owned by the Client on the date the sale order is made) shall be effected in relation to any Securities traded on an Exchange (except as permitted under, and effected in accordance with, the prevailing rules of the relevant Exchange). Without prejudice to the other rights and remedies available to CGS-CIMB, the Client agrees that in the case where there is a breach of this provision, CGS-CIMB may effect a buy-in of relevant Securities without any notice or reference to the Client.

Part D : Nominee Services

26. Appointment of CGS-CIMB as Nominee

- 26.1 Any Securities deposited by the Client with CGS-CIMB or purchased by CGS-CIMB on behalf of the Client, and held by CGS-CIMB for safe-keeping or otherwise may, at CGS-CIMB's absolute discretion, be registered by CGS-CIMB in the Client's name, in CGS-CIMB's name or in the name of CGS-CIMB's agent, sub-custodian or nominee.
- 26.2 The Client acknowledges that if the Securities are registered in CGS-CIMB's name or the name of CGS-CIMB's agent, sub-custodian or nominee, the Securities will be held by CGS-CIMB or CGS-CIMB's agent, sub-custodian or nominee in accordance with Part D of these terms and conditions.

27. Sub-Custodians and Agents

27.1 Client agrees that CGS-CIMB is authorised at all times:

- (a) at the cost and expense of the Client, where the Securities are held in Malaysia, to maintain the Securities in a nominee account in accordance with Rules of Bursa Depository;
- (b) where the Securities are to be held outside Malaysia or denominated in foreign currency, to maintain the Securities with a sub agent or a custody account held with a custodian outside Malaysia which is licensed, registered or authorized to act as a custodian in the country or territory where the Securities are registered, traded or listed;
- (c) to enter into agreements for the maintenance of the custody account with and the provision of custodial services by the custodians referred to in this Clause 27 on such terms and conditions as may be imposed by any applicable laws, including the CMSA, and by such persons which CGS-CIMB may deem fit, for any of the Securities;
- (d) to permit such persons to sub-delegate and to register such Securities in the name of any of their nominees upon such terms and conditions as CGS-CIMB may in its absolute discretion stipulate;
- (e) to delegate to any other person, whether affiliated to CGS-CIMB or otherwise, and whether in or outside Malaysia, for any period whatsoever, the performance of the Transactional Services as well as the exercise of CGS-CIMB's powers set out in these terms and conditions; and
- (f) notwithstanding Part I of the Account Application Form, to credit proceeds arising from corporate actions to Client's Trust Account.

28. No Obligations

28.1 CGS-CIMB shall not be required at any time to register any Securities, whether such Securities are held electronically or otherwise, in its own name or in the names of its nominees. If CGS-CIMB decides, in its absolute discretion, to register the Securities in its own name or in the names of its nominees, the Client agrees to sign and execute all necessary instruments of transfer and documents and pay all applicable fees and charges in connection with such registration of the Securities.

28.2 CGS-CIMB and CGS-CIMB's agent, sub-custodian or nominee shall be under no responsibility to forward to the Client any notices, proxies or other documents or communications in respect of the Securities. Notwithstanding this, if CGS-CIMB or CGS-CIMB's agent, sub-custodian or nominee shall determine that any action is required in respect of such Securities and the Client and/or the Authorised Persons cannot be contacted or fail to give punctual or adequate instructions for such action, the Client hereby authorises CGS-CIMB or CGS-CIMB's agent, sub-custodian or nominee to act on the Client's behalf as they shall in their absolute discretion think fit (but nothing in this Clause shall impose on CGS-CIMB any obligation to do so), including without limitation, to exercise any voting rights or such other rights in respect of Securities of which the Client is the beneficial owner but which are registered in the name of CGS-CIMB or CGS-CIMB's agent, sub-custodian or nominee, and CGS-CIMB or CGS-CIMB's agent, sub-custodian or nominee shall not be liable, in the absence of fraud or wilful default, for any such action as CGS-CIMB or CGS-CIMB's agent, sub-custodian or nominee may take. The Client further undertakes to indemnify CGS-CIMB and CGS-CIMB's agent, sub-custodian or nominee against all costs, fees, charges and expenses that may be incurred by CGS-CIMB and/or CGS-CIMB's agent, sub-custodian or nominee in respect of any such action taken.

28.3 The Client acknowledges and consents to the fact that any Securities belonging to him held by CGS-CIMB, its agent, sub-custodian or nominee for any reason whatsoever may be held with other Securities held for CGS-CIMB, itself or other clients of CGS-CIMB on an aggregate or omnibus basis. If this occurs, CGS-CIMB shall maintain records of the Client's interest in the Securities that have been commingled but such Securities may not be identifiable by separate certificates, or other physical documents or equivalent records. This may in some instances result in prejudice to the Client and the Client accepts and consents to this. The Client shall not have any right to specific Securities held by CGS-CIMB on such aggregate or omnibus basis, its agent, sub-custodian or nominee, but will be entitled, subject to these terms and conditions, to delivery by CGS-CIMB of Securities of the same class, denomination and nominal amount, and which rank pari passu with those originally delivered to CGS-CIMB, its agent, sub-custodian or nominee, subject always to any capital reorganisation or share exchange which may have occurred.

28.4 CGS-CIMB will only perform such duties as are set out in Part D of these terms and conditions and nothing in these terms and conditions shall have the effect of constituting any relationship of trustee and beneficiary between CGS-CIMB and the Client or of any further relationship other than as is expressly provided for herein.

29. Powers of CGS-CIMB

29.1 The Client hereby authorises CGS-CIMB to act on the Client's behalf:

- (a) to request payment of and to receive, apply or exercise (whether in whole or in part) the interest, dividends, rights, bonuses, warrants and other payments or distributions that the Client is entitled to under any applicable corporate exercise or the rules, bye-laws or regulations of the relevant Exchange, in respect of any of the Securities held by CGS-CIMB on the Client's behalf; and
- (b) to surrender any of the Securities against receipt of monies payable at maturity or on redemption if called prior to maturity on condition that the Client requests CGS-CIMB in writing to do so and executes such forms as may be required by the relevant issuer.

30. Rights, Warrants and Other Entitlements

30.1 In so far as Securities are registered in the name of or held on behalf of the Client to the control or direction of CGS-CIMB, CGS-CIMB will use its reasonable endeavours upon its actual receipt of notice of any right to subscribe for shares, warrants, bonds, or other Securities accruing, offered or accruing to the benefit of the Securities which have been purchased or held on behalf of the Client, (collectively "Accrued Rights") to notify the Client of the same in accordance with these terms and conditions.

30.2 If the Client wishes to exercise all or part of such Accrued Rights or to apply and subscribe for excess rights, he shall give such instructions to that effect to CGS-CIMB and where necessary make the necessary payments in reasonably sufficient time for CGS-CIMB to exercise or procure the execution of such instructions. CGS-CIMB shall not be obliged to use more than its reasonable endeavours to execute the Client's instructions as aforesaid, and CGS-CIMB shall have no liability if notwithstanding reasonable efforts, the instructions are not executed for any reason. For the avoidance of doubt, if CGS-CIMB does not receive any notification of the Accrued Rights for any reason whatsoever or if no instruction from the Client (accompanied by payment where applicable) with respect to any Accrued Rights is received within the stipulated time, CGS-CIMB shall not be liable for any non-exercise of all or any part of the Accrued Rights.

30.3 The Client agrees and acknowledges that rights generally available or accruing to the holder of any Securities may, under certain Malaysian Rules or Foreign Rules, not be available to or accrue to the benefit of or be offered to the Client and the Client agrees that in such circumstances, CGS-CIMB shall not be responsible to inform the Client or inquire into, investigate, take any action or make any demands in relation to such rights, and the Client shall have no recourse against CGS-CIMB for any claims arising out of or in connection with or in relation to such rights.

31. Proxy

31.1 CGS-CIMB shall have no duty or responsibility to notify the Client of any proxy or other documents received by it in respect of the Securities held or registered with CGS-CIMB or to send any proxy or other documents to the Client.

- 31.2 In addition, CGS-CIMB shall have no duty or responsibility to attend any meetings or to exercise any vote on behalf of the Client pursuant to its holding of the Securities except in accordance with any prior written instructions from the Client and upon such terms and conditions and indemnities and provisions for fees, charges, and expenses as CGS-CIMB may require.

Part E :Securitized Trading Account and Memorandum of Deposit

32. Securitized Trading Account

32.1 The Client agrees with CGS-CIMB as follows:

- (a) Collateral must be deposited with CGS-CIMB and must be of a type and amount acceptable to CGS-CIMB. The trading limit will depend on the amount of the Collateral deposited, and CGS-CIMB may at any time impose a maximum limit for trading;
- (b) CGS-CIMB may cap or discount the value of Securities provided as Collateral for the purpose of determining the trading limit;
- (c) the Client must deposit (at the Client's cost and expense) additional Collateral immediately upon CGS-CIMB's request, together with all documents required by CGS-CIMB (e.g. duly completed and valid transfer forms, etc.);
- (d) CGS-CIMB may suspend or terminate the securitized Trading Account at any time, and uplift any suspension at any time, at CGS-CIMB's sole and absolute discretion; and
- (e) where any amount outstanding or owing is not settled promptly when due (whether demanded or not), CIMB-CGS may realize Collateral to settle the amount outstanding or owing. CGS-CIMB will realize the Collateral in such order and priority as it may determine, and to the extent deemed necessary by CGS-CIMB, in its discretion.

33. Memorandum of Deposit (Applicable to securitized Trading Account only)

33.1 In consideration of CGS-CIMB granting and/or continuing to grant or make available to the Client facilities for the trading of Securities on the Exchange, the Client agrees as follows:-

- (a) the Client hereby pledges, mortgages or charges (as appropriate) to CGS-CIMB or in CGS-CIMB's favour all the Securities held from time to time in the Client's Account which have been fully paid for, in the Client's CDS Account and/or any nominee/custody account of which the Client is the beneficiary (the "**MOD Securities**");
- (b) the Client confirms that the Client is the legal and beneficial owner of the MOD Securities and that the Client is entitled to pledge, mortgage or charge (as appropriate) the MOD Securities in favour of CGS-CIMB;
- (c) the security interests over the MOD Securities will be a continuing security to CGS-CIMB for the Secured Indebtedness;
- (d) in the event any amount in connection with the securitized Trading Account remains outstanding for more than ten (10) days (the "**Outstanding Amount**"), and where written notice of the Outstanding Amount has been given to the Client, CGS-CIMB may at its sole discretion and at any time thereafter, without giving the Client any further notice, sell the MOD Securities to settle the Outstanding Amount and any sale proceeds in excess of the Outstanding Amount will be credited to the Account;
- (e) the MOD Securities may be:-
 - (i) registered by CGS-CIMB in its name or in the name of its nominees;
 - (ii) held in scripless form in CDS Accounts in the Client's name or CGS-CIMB's name; or
 - (iii) held in CGS-CIMB's nominees' pledged account with the Client as the sole beneficiary;
- (f) the Client will keep CGS-CIMB or its nominees indemnified against:-
 - (i) all claims, demands, liabilities, costs and expenses for which CGS-CIMB or CGS-CIMB's nominees may be liable; and
 - (ii) all actions, suits, proceedings, claims or demands of any nature whatsoever which may be taken or made against CGS-CIMB or its nominees,

which may be incurred, or which may arise directly or indirectly by reason of the registration of the MOD Securities in the name of CGS-CIMB or the appointment of CGS-CIMB's nominees as the Client's nominee or by any act or omission in relation thereto;

- (g) neither CGS-CIMB nor its nominees will be answerable or responsible for the loss of or damage to or diminution in value of any of the MOD Securities, however arising, while the same are in the custody, possession or control of CGS-CIMB or its nominees;
- (h) while the MOD Securities are in the custody, possession or control of CGS-CIMB or its nominees, CGS-CIMB or its nominees will use all reasonable efforts to ensure that any rights issue, bonus or dividends ("**Corporate Actions**") declared in respect of the MOD Securities, are subscribed to, or received or collected by CGS-CIMB or its nominees subject to the instructions of the Client. All costs, charges and/or expenses incurred by CGS-CIMB in respect of the Corporate Actions will be debited from the Client's Trading Account;
- (i) the Client will, immediately upon CGS-CIMB's request and at his own cost and expense, deliver to CGS-CIMB duly executed forms or other valid documents of transfer in respect of any or all of said Securities and/or deposit further Securities as may be required by CGS-CIMB;
- (j) the Client hereby acknowledges that CGS-CIMB will not be liable for any loss or damage incurred or suffered in relation to the deposited MOD Securities, or the documents evidencing title or ownership of the deposited MOD Securities (where applicable) under any Account, unless such loss or damage is due to CGS-CIMB's gross negligence or wilful default. In respect of such loss or damage due to gross negligence or wilful default, CGS-CIMB will only be liable for the incidental replacement costs which are limited to the cost of advertisement, scrip fees or any other reasonable costs related to the replacement of the physical share certificates only, and CGS-CIMB is not obliged to repurchase the securities for the Client on the Bursa Securities or any other stock exchanges. The replacement documents evidencing title or ownership of the MOD Securities will be returned to the Client upon CGS-CIMB receiving of the same from the share registrar;
- (k) the Client hereby authorises CGS-CIMB, in the event of the sale of the MOD Securities, to deliver the same to the purchaser or the legal representative and to credit the proceeds of sales to the Client's Account with CGS-CIMB to settle any part of the Secured Indebtedness;
- (l) the MOD Securities and any cash deposited by the Client with CGS-CIMB will at all times remain the Client's assets and property and will not cease to be the Client's assets and property by reason of the liquidation, receivership, judicial management, winding up of CGS-CIMB or any other proceedings related to the insolvency of CGS-CIMB; and

- (m) every notice, demand, certificate or other communication given or made by CGS-CIMB to the Client will be deemed to be given and received if sent to the Client at the address or facsimile number provided by the Client or such other address or facsimile number as may from time to time be notified to CGS-CIMB by the Client in writing and CGS-CIMB will not be responsible if any notice, demand, certificate or other communication is not received by the Client.

Part F: Margin Financing Facility

34. Margin Financing Facility

- 34.1 CGS-CIMB may in its discretion, from time to time and at the Client's request, provide the Client with a Margin Financing Facility for the purposes of extending credit to the Client to undertake Transactions in Securities. Any Margin Financing Facility provided will be subject to such maximum facility limit and for such tenure as determined by CGS-CIMB.
- 34.2 The Client authorizes CGS-CIMB to open for the Client a Margin Trading Account, which will be the trading account financed by the Margin Financing Facility (if granted).
- 34.3 A Margin Financing Facility, if granted, will be governed by these terms and conditions, as well as any other terms and conditions which may be imposed by CGS-CIMB from time to time, whether in a separate or supplemental letter or otherwise. CGS-CIMB may at any time and from time to time review and vary any of the terms and conditions governing the Margin Financing Facility, or suspend, recall or cancel the Margin Financing Facility in its discretion, by notifying the Client in writing.
- 34.4 All sums owing by the Client to CGS-CIMB under or in connection with any Margin Financing Facility (the "**Financing Indebtedness**") shall be due and payable immediately upon demand. Until such demand, the Client shall pay the Financing Indebtedness relating to a Margin Financing Facility immediately upon the expiry of the tenure of that Margin Financing Facility, unless such Margin Financing Facility is, renewed or extended by CGS-CIMB in its absolute discretion. CGS-CIMB may in its discretion charge fees or commission for agreeing to renew or extend any Margin Financing Facility.
- 34.5 The renewal of a Margin Financing Facility may be effected by way of CGS-CIMB agreeing to roll over any Financing Indebtedness such that a fresh drawing is deemed to have been made under the Margin Financing Facility on the date of renewal, but no actual cash repayment of the Financing Indebtedness is made on such date, and no actual cash advance is made by CGS-CIMB to fund the renewal ("**Roll Over**").
- 34.6 The availability period for utilisation of a Margin Financing Facility (if granted) shall be as determined by CGS-CIMB from time to time. Utilisation of a Margin Financing Facility within the applicable availability period may be permitted by CGS-CIMB upon fulfilment of such conditions precedent as CGS-CIMB may require from time to time, to CGS-CIMB's absolute satisfaction. These conditions precedent may include but are not limited to the satisfactory execution and perfection of the security documents, the provision of additional Eligible Collateral, the creation of additional or supplementary security, and compliance with any required Margin value.
- 34.7 Interest in respect of a Margin Financing Facility shall accrue and is payable at such rate of interest as may be determined by CGS-CIMB from time to time and may be changed by CGS-CIMB without prior notice to the Client. CGS-CIMB has no duty to notify the Client of any such change by sending a written notice to the Client directly. Without prejudice to the foregoing, CGS-CIMB shall notify the Client on a periodic basis of the current rate of interest imposed by CGS-CIMB in respect of the Margin Financing Facility. Interest shall accrue on a daily basis on either a 360 or 365/366- day year, depending on the currency involved, and shall be capitalized at the end of each month. If the Financing Indebtedness is not paid or repaid on the relevant due dates (whether demanded or not), the Client shall pay default interest at the rate imposed by CGS-CIMB from time to time ("**Default Interest**") to be calculated on a daily rest basis and paid for as long as the Financing Indebtedness or any part of the same remains due and outstanding.

35. Margin Collateral for Margin Financing Facility

- 35.1 Without prejudice to any other provision of these terms and conditions requiring the creation of security over Eligible Collateral, the Client shall at CGS-CIMB's request execute such assignments, charges, mortgages, margin security agreements, powers of attorney or other security documents in such form as CIMB may require from time to time to ensure that CIMB shall have a first and paramount security interest over all Eligible Collateral to secure the Financing Indebtedness.
- 35.2 The Client undertakes to ensure in respect of each Margin Financing Facility granted to him that the value of the Eligible Collateral earmarked for such Margin Financing Facility (the "**Eligible Collateral Value**") shall at all times exceed the aggregate of the applicable Financing Indebtedness by the Margin. The Eligible Collateral Value shall, unless otherwise required by CGS-CIMB in its absolute discretion or under the Malaysia Rules, be determined as follows:
- (a) Securities quoted on any Exchange owned, operated, maintained or recognized by Bursa Securities and otherwise acceptable to CGS-CIMB: the value shall be based on such percentage, or price and/or quantity cap, as may be determined by CGS-CIMB in its sole and absolute discretion, based on the last traded price of the Securities on the preceding market day, provided that where any such Securities cease to be quoted or traded or are suspended from trading on the relevant Exchange (other than a temporary suspension for purposes of a pending announcement, which does not exceed three (3) market days or such other period as CGS-CIMB may in its discretion decide), then the value of such Securities will be deemed to be zero;
 - (b) Cash Collateral:
 - (i) in the case of cash or a fixed deposit certificate denominated in the Base Currency, its face value;
 - (ii) in the case of cash or a fixed deposit certificate denominated in a currency other than the Base Currency, the value will be calculated on the basis of a discount to the prevailing market exchange rate as CGS-CIMB may determine in its absolute discretion.
 - (c) Securities which the Client has become entitled to by reason of any corporate actions but which have not yet been credited to the Client's Account: the value will be the last traded price of the Securities on the preceding market day; and
 - (d) all other types of Collateral: the value shall be zero.
- 35.3 If any of the Eligible Collateral is denominated in a currency other than the Base Currency, the Eligible Collateral Value will be converted to the Base Currency at such rate of exchange as CGS-CIMB may determine in its absolute discretion.
- 35.4 Without prejudice to any other rights CGS-CIMB has under these terms and conditions, if at any time CGS-CIMB determines that any Securities constituting Eligible Collateral or held in the Margin Account are subject to any of the following circumstances:
- (a) unusually rapid or volatile changes in value;
 - (b) the non-existence of an active market for such Securities;
 - (c) suspension from trading on the relevant Exchange;
 - (d) there is no possibility of immediate or prompt liquidation or realisation of such Securities within a period acceptable to CGS-CIMB;
 - (e) the existence of unusual market conditions;

(f) any circumstances exist which in CGS-CIMB's view make it difficult to ascertain the proper value of any Securities,

then CGS-CIMB may in its discretion increase the Margin and/or impose haircuts on the value of any such Securities, and the Client shall, within three (3) Market Days from the date of a written notice to the Client, provide CGS-CIMB with further and other security acceptable to the Lender by way of substituted or additional security, of such value as would be required to increase the equity in the Margin Account to a value which would not be less than the required loan to Collateral value specified in such notice, such that the Margin is met.

35.5 For the purpose of determining the value of any Collateral provided, CGS-CIMB may in its discretion (but shall not be obliged to) to appoint independent professional valuers acceptable to it as and when required by it, at the sole cost and expense of the Client, and the value determined by such valuer shall be final and conclusive and binding on the Client, but shall not be binding on CGS-CIMB.

35.6 Without prejudice to the provisions of this Clause 35, CGS-CIMB may in its discretion permit the Client to withdraw any Cash Collateral or other assets provided by the Client as Eligible Collateral where the Eligible Collateral Value exceeds the Margin.

35.7 Upon CGS-CIMB's demand, the Client shall immediately substitute any Collateral in the form of Securities specified by CGS-CIMB, with Cash Collateral or another form of Collateral acceptable to CGS-CIMB in its absolute discretion.

35.8 If the Eligible Collateral Value of the Eligible Collateral for a Margin Financing Facility falls below the Margin Call Value prescribed by CGS-CIMB, the Client shall immediately upon demand by CGS-CIMB (and, if no deadline is specified, no later than three (3) Market Days from and including the date of the demand or such earlier date as Bursa Securities may prescribe from time to time), either make payment towards the reduction of the Financing Indebtedness or transfer such amount of additional Eligible Collateral as CGS-CIMB may specify to CGS-CIMB (and if no amount is specified at the time of the demand by CGS-CIMB, an amount such that the aggregate Eligible Collateral Value would exceed the Financing Indebtedness, on the date on which the Eligible Collateral is transferred to CGS-CIMB, to meet the required Margin Call Value prescribed by CGS-CIMB or CGS-CIMB may from time to time prescribe for Margin top-up).

35.9 In the event:

(a) the Client for any reason fails to comply with any Margin Call within the period stipulated by CGS-CIMB; or

(b) the Eligible Collateral Value of the Eligible Collateral for a Margin Financing Facility falls below one hundred and thirty percent (130%) of the Financing Indebtedness or such other percentage as may be prescribed by Bursa Securities or CGS-CIMB,

CGS-CIMB will be entitled to exercise its right to sell all or any of the Eligible Collateral.

37.2 The Client may from time to time make further deposits into the Multi-Currency Trust Account.

RISK DISCLOSURE STATEMENT FOR SECURITIES

Unless the context otherwise requires, the words and phrases in this statement shall have the same meaning as the words and phrases in CGS-CIMB's General-Terms and Conditions. This brief statement cannot and does not disclose all of the risks and other significant aspects of investing or trading in Securities. It is recommended that:

1. I/We seek the advice of my/our financial legal and other professional advisors concerning the risks associated with investing or trading in Securities.
2. I/We undertake trading or investing in Securities only:
 - (a) if I/we understand the nature of the products which I/We am/are investing or trading in and the extent of my/our exposure to risk; and
 - (b) if I/we have carefully considered whether trading or investing is appropriate for me/us in light of my experience, objectives, financial and other relevant circumstances.

The following specific points should be considered by me/us:

1. DOCUMENTATION

To ensure that I/we clearly understand the legal relationship between CGS-CIMB and myself/ourselves, I/we should carry out a comprehensive review of CGS-CIMB's General Terms and Conditions with my/our legal adviser.

2. SECURITIES

- 2.1 Investing in Securities involves market, currency, economic, political, social, business and investment risks. The price of Securities that are quoted and listed on any securities exchange (including the securities exchanges owned, operated or maintained by Bursa Securities, can and will fluctuate, and any individual security may experience upward or downward movements in its price, and may even become valueless. There is an inherent risk that losses may be incurred rather than profit made as a result of buying and selling Securities traded on the Bursa Securities and any other recognized stock exchanges including the loss of the entire principal amount invested.
- 2.2 Past performance is no guarantee of future results. Index returns shown are historical and include the change in share price, reinvestment of dividends, and capital gains. Indexes are unmanaged and do not reflect the impact of transaction costs.
- 2.3 Market conditions (e.g. illiquidity of a security) and/or the operation of the rules of certain markets (e.g. the delisting of Securities or the suspension of trading in Securities) and/or any request by a company to suspend trading of its shares (e.g. prior to major announcements) may increase the risk of loss by making it difficult or impossible to effect transactions or liquidate or offset my/our positions in such Securities.
- 2.4 Securities may also be compulsorily acquired in a take-over or pursuant to a scheme of arrangement.

3. NOMINEES SERVICES

- 3.1 In relation to Foreign Securities, CGS-CIMB will appoint foreign sub-agents as an intermediary to safe-keep my/our Foreign Securities or assets. I/We acknowledge that there may be additional risks in relation to such foreign sub-agents, including risks arising from the operation of foreign law, rules and regulations, and I/we agree to accept such risks.
- 3.2 I/We acknowledge that as a shareholder I/we am/are aware of all corporate events in regards to the Securities invested by me/us. CGS-CIMB will process the corporate event to the best of CGS-CIMB's ability and I/we agree that I/we am/are prepared to assume the risks of delayed processing due to market condition, differences in time zones, or circumstances beyond CGS-CIMB's control (including but not limited to any acts or omissions of CGS-CIMB's agents or custodians). I/We agree to bear any and all charges incurred due to the processing of the corporate events in regards to the Securities invested by me/us.

4. RIGHTS ISSUE, WARRANT AND OTHER OPTIONS

- 4.1 Investing in rights issues, warrants and other options (each a "Right" and collectively, "Rights") carry the following additional risks:
 - (a) the Rights are wasting assets which become worthless when they expire. I/We run the risk of losing the entire amount paid for the Rights in a relatively short period of time. If I/we neither sell my/our Rights in the secondary market nor exercise them prior to their expiration I/we may lose my/our entire investment in the Rights;
 - (b) the fact that Rights become valueless upon expiration means that I/we must not only be right about the direction of an anticipated price change in the underlying interest, but must also be right about when the price change will occur;
 - (c) the more a Right is out of the money and the shorter the remaining time to expiration, the greater the risk that I/we will lose all or part of my/our investment in the Right. The greater the price movement of the underlying Securities necessary for the Right to become profitable (that is, the more the Right is out of the money when purchased and the greater the cost of the Right) and the shorter the time within which this price movement must occur, the greater the likelihood that I/we will incur a loss;
 - (d) the exercise provisions of a Right may create certain risks for me/us. If the Right does not have an automatic feature, I/we must, to exercise the Right, ensure that action is taken in a timely manner. Accordingly, I/we must give such instructions to, and where necessary make such payments in reasonably sufficient time as may be required by CGS-CIMB, for CGS-CIMB to exercise or procure the execution of such instructions. I/We acknowledge that failing to comply with CGS-CIMB's deadline may result in me/us losing my/our rights. On the other hand, if the Right has an automatic exercise feature such as one that will cause the Right to be automatically exercised at the expiration if it is in the money by a specified amount the Right may be exercised at a price at which I/we would not voluntarily choose to exercise in view of the transactions costs of exercise or other factors. The transaction costs associated with the exercise could even exceed the cash settlement amount of the Right, with the result that I/we would incur a net loss from the exercise; and
 - (e) in the case of Foreign Securities, the exercise of Rights may be subject to any applicable foreign rules, laws or regulations. It is possible that a court, a stock exchange or another regulatory agency having jurisdiction would impose a restriction which would have the effect of restricting the exercise of a Right. In such a case the Right would not be exercisable until the restriction was terminated. In the remote possibility that the restriction were to remain in effect until the expiration of the Right, the Right would expire worthless, and I/we would lose the entire amount that I/we paid for the option.

5. STRUCTURED WARRANTS

- 5.1 I/We understand and accept the following relating to structured warrants:
 - (a) the purchaser of a structured warrant is subject to the risk of losing the full purchase price of the structured warrants and all transaction costs;

- (b) in order to realise any value from a structured warrant, it is necessary to sell the structured warrants or exercise the structured warrants on or before their expiry date;
- (c) under certain conditions, it may become difficult to sell the structured warrants;
- (d) upon exercise of the structured warrants, the issuer may settle its obligations via actual delivery of the underlying assets, in cash or a combination of both depending on the terms of the issue of the structured warrants;
- (e) the placing of contingent orders, such as "stop-loss" or "stop limit" orders, will not necessarily limit my losses to the intended amount. Market conditions may not make it possible to execute such orders;
- (f) the high degree of leverage that is obtainable from structured warrants because of the small initial outlay, can work against me/us as well as in my/our favour. The use of the leverage can lead to large losses as well as gain; and
- (g) this brief statement cannot disclose all risks associated with trading in structured warrants. Structured warrants: means individually or collectively as the context may require, call warrants, put warrants, basket warrants, bull equity-linked structures or such other structures that may be specified by Bursa Securities from time to time.

Structured warrants: means individually or collectively as the context may require, call warrants, put warrants, basket warrants, bull equity-linked structures or such other structures that may be specified by Bursa Securities from time to time.

6. MARGIN FINANCING FACILITY

- 6.1 I/We can lose more funds than I/we deposit in the Margin Trading Account. A decline in the value of Securities that are purchased using the Margin Financing Facility may require me/us to provide additional funds to CGS-CIMB to avoid the forced sale of any or all of the Securities in my/our Account(s).
- 6.2 CGS-CIMB can force the sale of Securities in my/our Account(s). If the equity in my/our Account(s) falls below the Margin requirements under the law, or CGS-CIMB's higher "house" requirements, CGS-CIMB can sell the Securities in any of my/our Account(s) held at CGS-CIMB to cover the Margin deficiency. I/We also will be responsible for any short fall after such a sale.
- 6.3 CGS-CIMB can sell my/our Securities without contacting me/us. Some investors mistakenly believe that CGS-CIMB must contact them for a Margin Call to be valid, and that CGS-CIMB cannot liquidate Securities in their Account(s) to meet the call unless CGS-CIMB has contacted them first. This is not the case. CGS-CIMB will attempt to notify me/us of Margin Calls, but it is not required to do so. However, even if CGS-CIMB has contacted me/us and provided a specific date by which I/we can meet a Margin Call, CGS-CIMB can still take necessary steps to protect its interests. This may include immediately selling all or any of the Securities in your Account(s) without notice to me/us.
- 6.4 I/We am/are not entitled to choose which Securities in my/our Account(s) are to be liquidated or sold to meet a Margin Call. As the Securities are Collateral for the Margin Financing Facility, CGS-CIMB has the right to decide which Collateral to sell or realise in order to protect its interests.
- 6.5 CGS-CIMB can increase its "house" maintenance Margin requirements at any time and is not required to provide me/us advance written notice. These changes in CGS-CIMB policy often take effect immediately and may result in the issuance of a maintenance Margin Call. My/Our failure to satisfy the call may cause CGS-CIMB to liquidate or sell all or any of the Securities in my/our Account(s).
- 6.6 I/We am/are not entitled to an extension of time on a Margin Call. While an extension of time to meet Margin requirements may be available to me/us under certain conditions, I/we do not have a right to the extension.

7. NON-ADVISORY NATURE OF RELATIONSHIP

Unless I/we have a specific agreement with CGS-CIMB for the provision of financial advisory services I/we should note and accept that CGS-CIMB's relationship with me/us in relation to my/our securities and securities-related transactions is purely as execution broker/dealer only, or as a counter party to me/us, or as a lender for the Margin Financing Facility. I/we acknowledge that I/we -

- (b) may not assume that any answers provided by CGS-CIMB or its employees or representatives in response to my/our queries are backed by any prior due diligence or research;
- (c) should not place reliance on any such answers; and
- (d) should seek independent advice on the suitability of any Transaction based on my/our specific investment objectives, financial situation and particular needs.

8. TAX COMPLIANCE

I/We declare and confirm that:

- (a) I/We remain fully responsible for my/our own tax affairs and ensuring that both I/we and my/our accounts maintained with CGS-CIMB are in compliance with the tax laws of the relevant jurisdiction within which I/we reside, am domiciled in or a tax citizen of;
 - (b) to the best of my knowledge, information and belief, I/we have neither willfully committed nor been convicted of any serious tax crimes;
 - (c) I/we acknowledge and agree that I/we remain fully responsible for obtaining independent tax advice from a qualified adviser, and acknowledge that CGS-CIMB will not be responsible for nor will it provide any tax advice to me /us; and
 - (d) I/we agree to notify CGS-CIMB (within 30 calendar days), or provide information requested by CGS-CIMB, if there is any change in my / our personal information or circumstances including, without limitation, any material adverse change in my / our financial condition or any change in the ultimate beneficial ownership of my / our account, citizenship, residence, address of record and any additional information which affects my / our tax position.
- 8.2 Subject to applicable local laws, I/we hereby consent to CGS-CIMB and its Affiliates sharing my/our information with domestic or overseas regulators or tax authorities where necessary to establish my/our tax liability in any relevant jurisdiction.
- 8.3 I / we also understand and agree that, CGS-CIMB may be required by domestic or overseas regulators or tax authorities to obtain additional documents and/or forms from me/us, which I / we will sign and/or provide, if I / we am / are subject to the relevant jurisdiction's laws or regulations. I / we understand and agree that CGS-CIMB may withhold and pay out from my / our account(s) such amounts as may be required according to applicable laws, regulations, directives, guidelines and/or agreements with domestic or overseas regulators or authorities.

9. OTHER RISKS

- 9.1 I/We should familiarise myself/ourselves with the protection accorded to any money or other property which I/we deposit for domestic and foreign transactions, particularly in the event of insolvency or bankruptcy. The extent to which I/we may recover my/our money or property may be governed by specific legislation or local rules. In some jurisdictions, property which had been specifically identifiable as my/our own will be pro-rated in the same manner as cash for purposes of distribution in the event of a shortfall.
- 9.2 Before I/we begin to trade, I/we should know all commissions, fees and other charges for which I/we will be liable. These charges will affect my/our net profit (if any) or increase my/our loss.
- 9.3 Transactions on markets in other jurisdictions, including markets formally linked to a domestic market, may expose me/us to additional risks such as different or diminished investor protection. Before I/we trade, I/we should enquire about any rules relevant to my/our particular transactions. My/Our local regulatory authority will be unable to compel the enforcement of the rules of the regulatory authorities or markets in other jurisdictions where my/our transactions have been effected. I/We should know and understand the types of redress available in both my/our home jurisdiction and other relevant jurisdictions before I/we start to trade.
- 9.4 The profit or loss in transactions in foreign currency-denominated Securities (whether they are traded in my/our own or another jurisdiction) will be affected by fluctuations in currency rates where there is a need to convert from the currency denomination of the contract to another currency.
- 9.5 Most open-outcry and electronic trading facilities are supported by computer-based component systems for the order-routing, execution, matching, registration or clearing of trades. As with all facilities and systems, they are vulnerable to temporary disruption or failure. My/Our ability to recover certain losses may be subject to limits on liability imposed by the system provider, the market, the clearing house and/or member firms. Such limits may vary. I/We should know and understand such risks before I/we start to trade.
- 9.6 Trading on an electronic trading system may differ not only from trading in an open-outcry market but also from trading on other electronic trading systems. If I/we undertake transactions on an electronic trading system, I/we will be exposed to risks associated with the system including the failure of hardware and software. The result of any system failure may be that my/our order is either not executed according to my/our instructions or not executed at all.
- 9.7 For off-exchange transactions, it may be difficult or impossible to liquidate an existing position, to assess the value, to determine a fair price or to assess the exposure to risk. For these reasons, these transactions may involve increased risks. Off-exchange transactions may be less regulated or subject to a separate regulatory regime. Before I/we undertake such transactions, I/we should familiarise myself/ourselves with the applicable rules and attendant risks.
- 9.8 I/We acknowledge that as a shareholder I/we am/are aware of all corporate events in regards to the Securities invested by me/us. CGS-CIMB will process the corporate event to the best of CGS-CIMB's ability and I/we agree that I/we am/are prepared to assume the risks of delayed processing due to market condition, differences in time zones, or circumstances beyond CGS-CIMB's control (including but not limited to any acts or omissions of CGS-CIMB's agents or custodians). I/We agree to bear any and all charges incurred due to the processing of the corporate events in regards to the Securities invested by me/us.

- 4.1 Except as otherwise provided in these terms and conditions, the Client agrees to pay Late Payment Charges on all sums due to CGS-CIMB at such rate as provided in Schedule 1 as may be prescribed by CGS-CIMB from time to time depending on the currency involved, for all outstanding sums due from the due date to the date of full payment.
- 4.2 The Client acknowledges and agrees that CGS-CIMB may retain, for the benefit of CGS-CIMB and without any obligation to account to the Client, any hibah CGS-CIMB receives from the Client's monies deposited in the Trust Account.

5. Collateral, Set-Off and Lien

- 5.1 The Client agrees that the assets forming the Collateral will serve as collateral for the Secured Indebtedness to CGS-CIMB, and the Client charges all the Collateral to CGS-CIMB by way of equitable charge. The Client shall when requested by CGS-CIMB, immediately execute such security deeds or other documents and create such other security in respect of the Collateral or any of it as CGS-CIMB may require from time to time.
- 5.2 Notwithstanding any other security which CGS-CIMB may have over the Collateral, CGS-CIMB shall at all times have a general and continuing lien over all or any of the Collateral to secure the payment of all Secured Indebtedness. CGS-CIMB is entitled to combine and consolidate all the Client's Accounts which the Client may have with CGS-CIMB or any of its Affiliates, and/or to set-off any amount standing to the credit of any of the Client's Accounts which the Client may have with CGS-CIMB or any of its Affiliates against the Secured Indebtedness.
- 5.3 If an Event of Default occurs or is threatened, the Client authorises CGS-CIMB, without prior notice to the Client, to realise and liquidate at any time any of the Collateral, to the extent permitted by applicable law. The Client acknowledges and agrees that the Collateral (and/or the proceeds of sale) may be immediately set-off in or towards satisfaction of the Secured Indebtedness (whether in whole or in part) if an Event of Default occurs or is threatened.
- 5.4 In so far as any Secured Indebtedness are contingent or future liabilities, CGS-CIMB's liability to the Client in respect of any amounts standing to the credit of any of the Client's Accounts and all other payments due to the Client, shall to the extent necessary to cover such Secured Indebtedness, be suspended, until the happening of the contingent or future event and such amounts are, in the absolute discretion of CGS-CIMB, applied in satisfaction of the Secured Indebtedness.
- 5.5 The security created over the Collateral by this Clause 5 shall be a continuing security for the discharge of the Secured Indebtedness and shall not prejudice any other security rights which CGS-CIMB may have in respect of the Collateral.

6. Continuing Security

- 6.1 The security created by the Client under Clause 5 shall be a continuing security for the Secured Indebtedness, such that:
- (a) such security shall to the extent permitted by law take priority over all other interests in the Collateral;
 - (b) CGS-CIMB may at any time after an Event of Default immediately upon giving notice to the Client, retain, deal with, sell or otherwise dispose of all or any of the Collateral charged in accordance with Clause 5 and apply the net proceeds of such sale or disposal in or towards the discharge of the Secured Indebtedness at such times and in such manner and generally on such terms as CGS-CIMB may in its absolute discretion think fit; and
 - (c) by these terms and conditions, the Client authorises CGS-CIMB to execute all documents and do all acts and things necessary or appropriate to sell or dispose of any of the Collateral or any interest therein.
- 6.2 The security created under Clause 5 shall become immediately enforceable and the power of sale and other powers conferred by applicable law (as varied and extended by this Clause 6) and all the other powers conferred on CGS-CIMB by this Clause 6 shall be immediately exercisable at any time after an Event of Default.

7. Exclusions

- 8.2 CGS-CIMB's maximum liability (including, without limitation, tortious liability (if any)) for damages, losses, costs and expenses (including costs and expenses of or incidental to the negotiation, presentation and settlement of any claim for breach of CGS-CIMB's obligations under these terms and conditions) suffered or incurred by the Client, including but not limited to those arising under or in connection with the matters set out in Clauses 8.1(a) and 8.1(b) shall be limited to the amount of RM5,000.
- 8.3 The Client acknowledges and agrees that CGS-CIMB shall not be liable for any (i) direct loss or damage, including but not limited to any costs, charges or expenses (but only to the extent CGS-CIMB is permitted to exclude such liability by law), or (ii) indirect, incidental, punitive, special or consequential loss or damage (including but not limited to loss of investment opportunity or any failure to make a profit), suffered by the Client or any other party (no matter how caused) arising in connection with:

- (d) any exercise of CGS-CIMB's rights to vary any trading limit applicable to the Account, or to suspend or close the Account, under Clause 24.2;
- (e) any exercise or non-exercise of CGS-CIMB's right to force sell the Client's Securities under Clause 25.1;
- (f) any acts or omissions of any Dealer's Representative, or of any custodians referred to in Clause 27.1;
- (g) the sale of any MOD Securities by CGS-CIMB pursuant to Clause 33.1(d);
- (h) any use of or reliance on the Online Services, the Website and/or any electronic instruction;
- (i) any failure by the Licensed Financial Institution to credit payment of any Sales Proceeds into the Client's Designated Bank Account;
- (j) any malfunction or partial or total failure of any machine, data processing system, electronic transmission or communications system; or
- (k) termination of the Account or any Transactional Services by CGS-CIMB.
- 8.4 The Client is aware that circumstances could arise in which the Client's remedies set forth in these terms and conditions may be or appear insufficient to the Client. The Client agrees that the limitations on liability specified in this Clause 8 shall survive and apply even under such circumstances. In the light of the overall agreement reached hereunder, the Client has agreed that the remedies and limitations on liabilities set out herein are part of a reasonable allocation of the risks and benefits of the agreement between the parties taking all relevant factors into consideration including the fees, commission, brokerage charges and other charges payable in accordance with these terms and conditions and the availability and costs of insurance with respect to the said risks.
- 9. Client's Successor**
- 9.1 If the Client is an individual, the Client's executor(s) or administrator(s) shall be the only persons recognised by CGS-CIMB as being the Client's successor(s) in the event of the Client's death or incapacity. Upon the Client's death, CGS-CIMB is entitled to retain any Securities or any sums standing in credit in the Account(s) until such time that the Client's successor(s) produces to CGS-CIMB evidence, to the satisfaction of CGS-CIMB, that the Malaysian courts have authorised the Client's successor(s) to deal with the Client's affairs and property.
- 10. Terms to Govern Once Any Facility is Used**
- 10.1 Regardless of whether the Client has executed the required documentation, the Client will be deemed to have agreed to these terms and conditions if the Client commences to trade through CGS-CIMB or to use any of the Transactional Services. For the avoidance of doubt, all transactions executed on the instructions of the Client or any Authorised Person, will be governed by these terms and conditions.
- 11. Proprietary Trading**
- 11.1 CGS-CIMB or its Affiliates may from time to time deal in Securities with or for the Client in circumstances where CGS-CIMB or its Affiliates has a direct or indirect interest or a relationship of any description with a third party that may involve or result in a Conflict of Interest with the Client.
- 11.2 Neither CGS-CIMB nor its Affiliates shall be liable to account to the Client for any profit, commission or other benefits made or received by it or for any loss, damage or expenses incurred by the Client in relation to such circumstances.
- 11.3 Where CGS-CIMB acts as principal in any Transaction (apart from a Transaction of sale or purchase of an odd lot of securities), CGS-CIMB will inform the Client that it acts as principal in the Transaction before the Transaction is effected.
- 11.4 Except as expressly stated in this Clause 11, neither CGS-CIMB nor its Affiliates is obliged to disclose any information connected with or relating to a Conflict of Interest situation to the Client at any time.
- 12. Acknowledgement of Risks**
- 12.1 The Client acknowledges that trading in Securities, and any other Investment Products and/or Services, is subject to investment and market risks, including the possible loss of the entire principal amount invested. The Client acknowledges and agrees that he understands and is fully aware of the risks involved in trading in Securities and other Investment Products and/or Services, and will not hold CGS-CIMB liable for any losses whatsoever (direct, indirect, special, consequential, punitive or otherwise), loss of investment opportunity, or failure to make a profit, suffered or incurred by the Client as a result of or in connection with such Transactions or investments.

12.2 In addition to Clause 12.1 above, and as set out in the risk disclosure statement to be signed by the Client before the provision of any Investment Products and/or Services by CGS-CIMB, the Client acknowledges that he understands the nature of the Investment Products and/or Services and the extent of his exposure to risk and has considered the appropriateness and suitability of trading and investing in light of his experience, objectives, and financial and other relevant circumstances.

13. Disclaimers relating to Information and Advice

13.1 Without prejudice to any other provision of these terms and conditions, the recommendation or advice the Client may receive from any of CGS-CIMB's duly authorised employees, representatives or officers may be general or specific and the Client understands and notes the different implications of each type of advice received.

13.2 In relation to any information relating to the Securities or any other Investment Products and/or Services provided by CGS-CIMB to the Client that is general and non-specific in nature (the "General Information"), the Client acknowledges and agrees that:

- (a) the General Information is meant for the Client's general knowledge only;
- (b) in providing the General Information, CGS-CIMB:
 - (1) has not taken into account the Client's investment objectives, financial situation and particular needs;
 - (2) does not make any recommendations to the Client in respect of any Securities, and any other Investment Products and/or Services;
- (c) it is the Client's responsibility to seek independent financial, legal or other professional advice with respect to any dealing in any Securities, or any other Investment Products and/or Services;
- (d) any dealings in Securities or other Investment Products and/or Services are solely and exclusively based on the Client's own judgement and after the Client's own independent evaluation into the merits and risks in relation to such dealings or investments;
- (e) the General Information although based upon information obtained from sources believed by CGS-CIMB to be reliable, are opinions only, and may be inaccurate, incomplete and unverified; and
- (f) CGS-CIMB makes no representation, warranty or guarantee as to, and shall not be responsible for, the accuracy or completeness of, or the Client's reliance upon, the General Information. In the circumstances, the Client acknowledges and agrees that CGS-CIMB is not responsible for and liable to the Client for any loss that he may suffer by reason of or arising out of or in connection with the provision of the General Information by CGS-CIMB to him.

13.3 The Client understands and acknowledges that any trading recommendations and market or other information communicated by CGS-CIMB to the Client are incidental to the provision of services by CGS-CIMB to the Client under these terms and conditions, and do not constitute an invitation or offer to sell or the solicitation of an offer to buy any securities whether listed on Bursa Securities or any other stock exchange. Such recommendations and information although based upon information obtained from sources believed by CGS-CIMB to be reliable, may be incomplete, may not have been verified and may be changed without notice to the Client. No representation, warranty or guarantee is made by CGS-CIMB as to the accuracy or completeness of any market or other information or trading recommendations furnished to the Client or as to the tax consequences of the Client's transactions.

14. Fees and Charges

14.1 CGS-CIMB may in its absolute discretion charge a service fee for the maintenance of an Account and debit the same to such Account. CGS-CIMB may at any time set-off any monies and/or Securities in the Account against such service fee in accordance with these terms and conditions. In the event that there are no monies or Securities in such Account, CGS-CIMB may, notwithstanding anything in Clause 62, terminate such Account without giving notice to the Client.

14.2 The Client agrees to pay CGS-CIMB, in respect of the provision of the Transactional Services, such fees, commissions, brokerage charges and other charges at such rates as may be determined by CGS-CIMB from time to time, as well as all expenses incurred by CGS-CIMB or its agents with respect to the Transactional Services.

14.3 CGS-CIMB shall be entitled to convert any sum received by it (whether for credit into the Account or in payment of any sum due to CGS-CIMB) to the currency of the Account or (as the case may be) the currency in which payment is to be made, at a rate of exchange determined by CGS-CIMB. CGS-CIMB shall also be entitled to convert any amounts in the Account or otherwise standing to the Client's credit to any other currency for the purpose of carrying out his instructions or exercising CGS-CIMB's rights under these terms and conditions. The Client agrees that any exchange rate losses and costs of conversion shall be fully borne by him.

14.4 Any applicable taxes, stamp duty or levies imposed by law or required to be paid in respect of any monies payable to or received or receivable by CGS-CIMB or any expenses incurred by CGS-CIMB, shall, except to the extent prohibited by law, be borne and paid by the Client and CGS-CIMB shall be entitled to debit the Account for the amount of such taxes and levies.

14.5 The Client acknowledges that from time to time, CGS-CIMB may receive commissions, discounts, fees or otherwise in connection with or in relation to the issue of Securities to or for the Client or other dealings in respect of or relating to any Securities or Investment Products and/or Services for the Client. The Client agrees that CGS-CIMB may retain for the benefit of CGS-CIMB and without any obligation to account to the Client any commission, discounts, fees, or other monies which CGS-CIMB may receive from any providers of Investment Products and/or Services or other persons in connection with or in relation to the holdings, subscription, switching, transfer or redemption of Securities or Investment Products and/or Services or other transactions done or carried out by the Client with or through CGS-CIMB or any other dealings in respect of the Securities or Investment Products and/or Services.

14.6 The Client acknowledges and agrees that CGS-CIMB shall not pay any profit for the Client's money deposited in the trust account.

15. Payment/Receipt of Monies

15.1 All payments which the Client is liable to pay under these terms and conditions (or any agreement entered into pursuant to these terms and conditions) shall be made in immediately available and freely transferable cleared funds, without set-off, counterclaim or other deductions or withholdings of any nature and shall be made free and clear and without deduction for any present or future taxes. If any deduction or withholding is required for or on account of any taxes, the Client shall pay such additional amount as is necessary to ensure that CGS-CIMB receives the full amount which it would otherwise have received had no such deduction or withholding been required. The Client shall further pay the full amount of such deduction to the relevant taxation authority in accordance with any applicable law. Where the Client makes payment by cheque, cashier's order, bank draft, in any other negotiable instrument or through Electronic Payment, the date of payment shall be the date when such instrument is cleared and full payment is finally received by CGS-CIMB.

15.2 Dealer's Representatives are not authorised to collect payment or to handle Securities on behalf of CGS-CIMB. The Client acknowledges that if the Client chooses to effect payment or to deposit Securities by delivering a cheque or Securities to his Dealer's Representative, such Dealer's Representative shall be deemed to be the Client's agent. Any payment or deposit of the Securities shall be deemed to be made only when CGS-CIMB receives the cheque or Securities from the Dealer's Representative and not when the cheque or Securities are delivered to the Dealer's Representative.

15.3 The Client agrees and irrevocably consents that in the event:

- (a) payments are made prior to the date for settlement of purchase contracts;
- (b) CGS-CIMB receives monies from, or on account of, the Client for the purchase of or holding of Securities, or the maintenance of any Account by the Client;

- (c) CGS-CIMB receives monies for the Account of the Client in respect of a sale of Securities;
- (d) CGS-CIMB receives monies from, or on account of, the Client for the purposes of managing the Client's funds via Trust Account; or
- (e) CGS-CIMB receives monies from, or on account of, the Client in the course of CGS-CIMB's business,

CGS-CIMB shall deposit such monies into the Trust Account. The Client agrees that CGS-CIMB may, for the purpose of depositing monies received on account of the Client which are denominated in a foreign currency in a Trust Account, maintain the Trust Account with a custodian outside Malaysia which is licensed, registered or authorised to conduct banking business in the country or territory where the account is maintained.

15.4 All Securities delivered or to be delivered to CGS-CIMB from time to time for custody must be in the required or regular form in board lots and/or odd lots (as the case may be) in good delivery order.

16. Payment by CGS-CIMB

16.1 Any payment by CGS-CIMB to the Client shall be net of any fees, commission, brokerage charges or expenses incurred in connection with the Transactional Services or any other sums which may be owed to CGS-CIMB and/or its Affiliates by the Client. Such payment shall be made by way of cheque or by Electronic Payment or in accordance with any instructions signed or made or purporting to be signed or made by the Client or any Authorised Person and will discharge CGS-CIMB from any liability to the Client or to any other party. Erroneous payments (as evidenced by the records of CGS-CIMB) made by CGS-CIMB to the Client will immediately constitute a debt owing to CGS-CIMB by the Client which must be immediately repaid to CGS-CIMB and which at the option of CGS-CIMB may also be recovered by way of set-off from future amounts held by CGS-CIMB for and on behalf of the Client or owing by CGS-CIMB to the Client.

17. Foreign Exchange Risks

17.1 All Transactions for or relating to any Account or any of the Transactional Services and any payments relating to or arising out of any of the Transactional Services, including but not limited to any fees, commission, brokerage charges or expenses incurred in relation to any of the foregoing, will be settled in Ringgit Malaysia or, if CGS-CIMB agrees, in any other currency requested by the Client, but at a rate of exchange determined by CGS-CIMB. The Client will bear all losses, damages, or costs that result from any currency conversion connected with any Transaction for the Account or any of the Transactional Services.

17.2 The Client further agrees and acknowledges that where the Client directs or instructs CGS-CIMB to carry out a contra trade or set-off in relation to any Securities denominated in a foreign currency (the "Traded Currency"), CGS-CIMB may in its absolute discretion effect such contra trade or set-off in either the Traded Currency or the Base Currency, and where such contra trade or set-off is effected in the Traded Currency, settle such contra trade or set-off with the Client in the Base Currency at a rate of exchange determined by CGS-CIMB.

18. Agents

18.1 CGS-CIMB is authorised to employ agents to perform all or any part of CGS-CIMB's duties hereunder and to provide information regarding the Account to such agents. At the Client's costs, CGS-CIMB may seek, and act on, an opinion or advice from any lawyer, accountant, consultant, information technology or services specialist, or other expert in respect of any obligations or performance of any duty or any other matter referred to in these terms and conditions and shall not incur any liability to the Client by acting upon such opinion or advice.

19. Dealer's Representatives

19.1 Unless otherwise notified to the Client in writing by CGS-CIMB, the Client acknowledges and agrees that, in respect of the Transactional Services, the Dealer's Representative shall be deemed to be the Client's agent whether or not such Dealer's Representative is deemed to be engaged or employed by the Client in law.

19.2 The Client acknowledges and agrees that there could be cases where a Dealer's Representative may be required to undertake the provision of services to the Client outside the premises of CGS-CIMB. CGS-CIMB will use all reasonable commercial efforts to inform the Client of these cases.

Part C : Trading in Securities

20. Instructions and Orders

20.1 CGS-CIMB shall be entitled to buy and sell Securities for or deal with monies in the Account or perform any other transaction or order relating to the Account upon the verbal or written instructions (including via e-mail), of the Client or any Authorised Person, but CGS-CIMB shall be under no obligation to give effect to any such instructions and is entitled to refuse to carry out such instructions without giving a reason for such refusal. In the case where CGS-CIMB does so give effect to any instruction or order, CGS-CIMB reserves the right to unilaterally cancel any transaction or recall any order prior to it being executed without providing or assigning any reason therefor.

20.2 Unless the Client specifically requests and such request is accepted by CGS-CIMB, any orders relating to Securities given by the Client are good only for the Market Day of the Exchange in which such order is given and shall thereafter lapse at the end of such Market Day.

20.3 The Client shall be solely responsible and liable for the actions or instructions of any Authorised Person(s). CGS-CIMB shall not be concerned as to whether an Authorised Person has been given the proper authority by the Client to act on its behalf. For the avoidance of doubt, CGS-CIMB shall not be obliged to verify with the Client or any other person the instructions given by the Authorised Person(s) purportedly on behalf of the Client.

20.4 The Client acknowledges and accepts that when placing orders for Securities, there will be times when a quoted price will change prior to the trade's execution due to market circumstances and that not all orders will be executed in chronological sequence with the order being placed. In such circumstances, the Client agrees to release CGS-CIMB from any liability arising therefrom.

20.5 While CGS-CIMB shall make reasonable efforts to ensure that the product information, pricing and rates on the Website are accurate, correct and current, there may be instances where inaccurate, incorrect or incomplete information, pricing or rate is inadvertently displayed. In the event such information, pricing or rate is inaccurate, incorrect or incomplete, CGS-CIMB shall have the right at its sole and absolute discretion, to refuse, avoid, nullify and/or cancel any orders placed or Transactions effected in the Account and any consequential transaction effected due to or arising from the inaccurate, incorrect or incomplete information. CGS-CIMB expressly disclaims liability for any losses incurred due to such errors, inaccuracy, misstatements or omissions.

21. Counterparty Risks

21.1 In the event of any non-open market transactions, the Client should ensure that he is aware of the identity of the contractual counterparty the Client is or may be matched with. Often, the Client will be purchasing an unsecured obligation of such counterparty and he should evaluate the comparative credit risk of such a purchase. If CGS-CIMB is the counterparty, the Client must note that CGS-CIMB deals with the Client at arm's length as his counterparty in relation to the said purchase. In such a case, unless CGS-CIMB agrees in writing or unless otherwise required by law, CGS-CIMB is not the Client's fiduciary, nor is it willing to accept any fiduciary obligations to the Client. Any dealing, trading or engagement or transaction with CGS-CIMB by the Client could result in a loss to the Client and a gain to CGS-CIMB. CGS-CIMB does not and will not give the Client any advice whether written or oral other than any representations expressly set forth in any relevant agreement and any confirmation which may be signed or executed by the Client after negotiations with CGS-CIMB as the counterparty. The Client's net returns from a transaction

would also be affected by the transaction costs (which include, but which are not limited to, commission, fees and other charges) charged by CGS-CIMB. The Client should consider these costs in any risk assessment made by the Client. The Client should be aware that CGS-CIMB is engaged in customer-driven and proprietary activities in many markets. These general activities, as well as CGS-CIMB's hedging activities which are related to certain transactions entered into with the Client, may adversely affect the value of such transactions.

22. Margin Financing through Other Financial Institutions

22.1 In the event that the Client concurrently maintains a share margin account through a financial institution (other than CGS-CIMB) the Client authorizes CGS-CIMB to transfer any Transactions effected in that account to the Account should such financial institution so request. The Client agrees that the Client will remain liable for any contracts, Transactions and/or Transactional Services carried out or performed even if the same are not accepted by such financial institution (other than CGS-CIMB). Further, the Client shall always ensure that he has the requisite Securities in that other account maintained through a financial institution (other than CGS-CIMB) prior to giving any orders to CGS-CIMB to sell or dispose of the same failing which he will be liable to make good the shortfall or losses suffered as a result of there being insufficient Securities.

22.2 In the event that the Client obtains financing from a bank or other institution (other than CGS-CIMB) on an ad hoc basis, the Client authorises CGS-CIMB to deliver Securities to such financing bank or institution as the Client's Dealer's Representative may from time to time instruct. The Client indemnifies CGS-CIMB and undertakes to hold CGS-CIMB harmless from any and all losses, damages, liabilities, costs or expenses that may be suffered or incurred by CGS-CIMB as a result of acting in accordance with such instructions.

23. Delinquent/Disputed Account

23.1 CGS-CIMB may, in its sole and absolute discretion, report delinquent and disputed accounts to the relevant regulatory body or authority (including but not limited to Bursa Securities, BNM and Securities Commission) from time to time. The Client further consents to the reporting of the pertinent particulars relating to his Account, including, but not limited to, his name, address and NRIC/Passport number, claim amount and other appropriate information, in the event that his Account is classified by CGS-CIMB at its sole discretion as delinquent or disputed.

24. Suspension of Account and other Restrictions

24.1 The Client acknowledges that CGS-CIMB may impose any restrictions on, including but not limited to suspension of, dealing in any Securities in respect of the Account which CGS-CIMB or any of its authorised representatives considers appropriate for any purpose.

24.2 The trading of Securities in the Account is at all times at the discretion of CGS-CIMB and is subject to the Client's compliance with these terms and conditions. CGS-CIMB may at its discretion vary any trading limit applicable to the Account, or suspend or close the Account, and will not be obliged to give any notice to the Client or provide any reason for such variation, suspension or termination (including but not limited to any suspension or termination due to non-payment of any Secured Indebtedness, or the Account being dormant). CGS-CIMB will further have the right at any time to refuse to act on the Client's behalf, to refrain from executing any order of the Client, or to limit any purchases or sales instructed by the Client without having to provide any reason for such refusal to act.

25. General Right to Force Sell and Buy-In

25.1 The Client understands that if he does not pay for any Securities which he purchases by the due date of the purchase contracts, CGS-CIMB shall have the right to force sell any or all of these Securities at any time after such due date and at such time as it may in its absolute discretion decide. CGS-CIMB may (without prejudice to its rights under these terms and conditions), but need not, exercise this right on any day after the day on which the right to force sell first arose.

25.2 Any waiver of or delay in exercising the right to force sell any Securities by CGS-CIMB pursuant to Clause 25.1 shall not be regarded by the Client as an entitlement or right of the Client to the same at any time and shall be without prejudice to all other rights, powers and remedies available to CGS-CIMB.

25.3 The Client agrees that no short selling (this being the sale of Securities which are not beneficially owned by the Client on the date the sale order is made) shall be effected in relation to any Securities traded on an Exchange (except as permitted under, and effected in accordance with, the prevailing rules of the relevant Exchange). Without prejudice to the other rights and remedies available to CGS-CIMB, the Client agrees that in the case where there is a breach of this provision, CGS-CIMB may effect a buy-in of relevant Securities without any notice or reference to the Client.

Part D : Nominee Services

26. Appointment of CGS-CIMB as Nominee

26.1 Any Securities deposited by the Client with CGS-CIMB or purchased by CGS-CIMB on behalf of the Client, and held by CGS-CIMB for safe-keeping or otherwise may, at CGS-CIMB's absolute discretion, be registered by CGS-CIMB in the Client's name, in CGS-CIMB's name or in the name of CGS-CIMB's agent, sub-custodian or nominee.

26.2 The Client acknowledges that if the Securities are registered in CGS-CIMB's name or the name of CGS-CIMB's agent, sub-custodian or nominee, the Securities will be held by CGS-CIMB or CGS-CIMB's agent, sub-custodian or nominee in accordance with Part D of these terms and conditions.

27. Sub-Custodians and Agents

27.1 Client agrees that CGS-CIMB is authorised at all times:

- (a) at the cost and expense of the Client, where the Securities are held in Malaysia, to maintain the Securities in a nominee account in accordance with Rules of Bursa Depository;
- (b) where the Securities are to be held outside Malaysia or denominated in foreign currency, to maintain the Securities with a sub agent or a custody account held with a custodian outside Malaysia which is licensed, registered or authorized to act as a custodian in the country or territory where the Securities are registered, traded or listed;
- (c) to enter into agreements for the maintenance of the custody account with and the provision of custodial services by the custodians referred to in this Clause 27 on such terms and conditions as may be imposed by any applicable laws, including the CMSA, and by such persons which CGS-CIMB may deem fit, for any of the Securities;
- (d) to permit such persons to sub-delegate and to register such Securities in the name of any of their nominees upon such terms and conditions as CGS-CIMB may in its absolute discretion stipulate;
- (e) to delegate to any other person, whether affiliated to CGS-CIMB or otherwise, and whether in or outside Malaysia, for any period whatsoever, the performance of the Transactional Services as well as the exercise of CGS-CIMB's powers set out in these terms and conditions; and
- (f) notwithstanding Part J of the Account Application Form, to credit proceeds arising from corporate actions to Client's Trust Account.

28. No Obligations

- 28.1 CGS-CIMB shall not be required at any time to register any Securities, whether such Securities are held electronically or otherwise, in its own name or in the names of its nominees. If CGS-CIMB decides, in its absolute discretion, to register the Securities in its own name or in the names of its nominees, the Client agrees to sign and execute all necessary instruments of transfer and documents and pay all applicable fees and charges in connection with such registration of the Securities.
- 28.2 CGS-CIMB and CGS-CIMB's agent, sub-custodian or nominee shall be under no responsibility to forward to the Client any notices, proxies or other documents or communications in respect of the Securities. Notwithstanding this, if CGS-CIMB or CGS-CIMB's agent, sub-custodian or nominee shall determine that any action is required in respect of such Securities and the Client and/or the Authorised Persons cannot be contacted or fail to give punctual or adequate instructions for such action, the Client hereby authorises CGS-CIMB or CGS-CIMB's agent, sub-custodian or nominee to act on the Client's behalf as they shall in their absolute discretion think fit (but nothing in this Clause shall impose on CGS-CIMB any obligation to do so), including without limitation, to exercise any voting rights or such other rights in respect of Securities of which the Client is the beneficial owner but which are registered in the name of CGS-CIMB or CGS-CIMB's agent, sub-custodian or nominee, and CGS-CIMB or CGS-CIMB's agent, sub-custodian or nominee shall not be liable, in the absence of fraud or wilful default, for any such action as CGS-CIMB or CGS-CIMB's agent, sub-custodian or nominee may take. The Client further undertakes to indemnify CGS-CIMB and CGS-CIMB's agent, sub-custodian or nominee against all costs, fees, charges and expenses that may be incurred by CGS-CIMB and/or CGS-CIMB's agent, sub-custodian or nominee in respect of any such action taken.

If this occurs, CGS-CIMB shall maintain records of the Client's interest in the Securities that have been commingled but such Securities may not be identifiable by separate certificates, or other physical documents or equivalent records. This may in some instances result in prejudice to the Client and the Client accepts and consents to this. The Client shall not have any right to specific Securities held by CGS-CIMB on such aggregate or omnibus basis, its agent, sub-custodian or nominee, but will be entitled, subject to these terms and conditions, to delivery by CGS-CIMB of Securities of the same class, denomination and nominal amount, and which rank *pari passu* with those originally delivered to CGS-CIMB, its agent, sub-custodian or nominee, subject always to any capital reorganisation or share exchange which may have occurred.
- 28.4 CGS-CIMB will only perform such duties as are set out in Part D of these terms and conditions and nothing in these terms and conditions shall have the effect of constituting any relationship of trustee and beneficiary between CGS-CIMB and the Client or of any further relationship other than as is expressly provided for herein.

29. Powers of CGS-CIMB

- 29.1 The Client hereby authorises CGS-CIMB to act on the Client's behalf:

 - (b) to surrender any of the Securities against receipt of monies payable at maturity or on redemption if called prior to maturity on condition that the Client requests CGS-CIMB in writing to do so and executes such forms as may be required by the relevant issuer.

30. Rights, Warrants and Other Entitlements

- 30.1 In so far as Securities are registered in the name of or held on behalf of the Client to the control or direction of CGS-CIMB, CGS-CIMB will use its reasonable endeavours upon its actual receipt of notice of any right to subscribe for shares, warrants, sukuk, or other Securities accruing, offered or accruing to the benefit of the Securities which have been purchased or held on behalf of the Client, (collectively "Accrued Rights") to notify the Client of the same in accordance with these terms and conditions.
- 30.2 If the Client wishes to exercise all or part of such Accrued Rights or to apply and subscribe for excess rights, he shall give such instructions to that effect to CGS-CIMB and where necessary make the necessary payments in reasonably sufficient time for CGS-CIMB to exercise or procure the execution of such instructions. CGS-CIMB shall not be obliged to use more than its reasonable endeavours to execute the Client's instructions as aforesaid, and CGS-CIMB shall have no liability if notwithstanding reasonable efforts, the instructions are not executed for any reason. For the avoidance of doubt, if CGS-CIMB does not receive any notification of the Accrued Rights for any reason whatsoever or if no instruction from the Client (accompanied by payment where applicable) with respect to any Accrued Rights is received within the stipulated time, CGS-CIMB shall not be liable for any non-exercise of all or any part of the Accrued Rights.
- 30.3 The Client agrees and acknowledges that rights generally available or accruing to the holder of any Securities may, under certain Malaysian Rules or Foreign Rules, not be available to or accrue to the benefit of or be offered to the Client and the Client agrees that in such circumstances, CGS-CIMB shall not be responsible to inform the Client or inquire into, investigate, take any action or make any demands in relation to such rights, and the Client shall have no recourse against CGS-CIMB for any claims arising out of or in connection with or in relation to such rights.

31. Proxy

- 31.1 CGS-CIMB shall have no duty or responsibility to notify the Client of any proxy or other documents received by it in respect of the Securities held or registered with CGS-CIMB or to send any proxy or other documents to the Client.
- 31.2 In addition, CGS-CIMB shall have no duty or responsibility to attend any meetings or to exercise any vote on behalf of the Client pursuant to its holding of the Securities except in accordance with any prior written instructions from the Client and upon such terms and conditions and indemnities and provisions for fees, charges, and expenses as CGS-CIMB may require.

Risk Disclosure Statement

I. RISK DISCLOSURE STATEMENT FOR SECURITIES

Unless the context otherwise requires, the words and phrases in this statement shall have the same meaning as the words and phrases in CGS-CIMB's General Terms and Conditions. This brief statement cannot and does not disclose all of the risks and other significant aspects of investing or trading in Securities. It is recommended that:

1. I/We seek the advice of my/our financial legal and other professional advisors concerning the risks associated with investing or trading in Securities.
2. I/We undertake trading or investing in Securities only:
 - (a) if I/we understand the nature of the products which I/We am/are investing or trading in and the extent of my/our exposure to risk; and
 - (b) if I/we have carefully considered whether trading or investing is appropriate for me/us in light of my experience, objectives, financial and other relevant circumstances. The following specific points should be considered by me/us:

1. DOCUMENTATION

To ensure that I/we clearly understand the legal relationship between CGS-CIMB and myself/ourselves, I/we should carry out a comprehensive review of CGS-CIMB's General Terms and Conditions with my/our legal adviser.

2. SECURITIES

- 2.1 Investing in Securities involves market, currency, economic, political, social, business and investment risks. The price of Securities that are quoted and listed on any securities exchange (including the securities exchanges owned, operated or maintained by Bursa Securities, can and will fluctuate, and any individual security may experience upward or downward movements in its price, and may even become valueless. There is an inherent risk that losses may be incurred rather than profit made as a result of buying and selling Securities traded on the Bursa Securities and any other recognized stock exchanges including the loss of the entire principal amount invested.
- 2.2 Past performance is no guarantee of future results. Index returns shown are historical and include the change in share price, reinvestment of dividends, and capital gains. Indexes are unmanaged and do not reflect the impact of transaction costs.
- 2.3 Market conditions (e.g. illiquidity of a security) and/or the operation of the rules of certain markets (e.g. the delisting of Securities or the suspension of trading in Securities) and/or any request by a company to suspend trading of its shares (e.g. prior to major announcements) may increase the risk of loss by making it difficult or impossible to effect transactions or liquidate or offset my/our positions in such Securities.
- 2.4 Securities may also be compulsorily acquired in a take-over or pursuant to a scheme of arrangement.

3. NOMINEES SERVICES

- 3.1 In relation to Foreign Securities, CGS-CIMB will appoint foreign sub-agents as an intermediary to safe-keep my/our Foreign Securities or assets. I/We acknowledge that there may be additional risks in relation to such foreign sub-agents, including risks arising from the operation of foreign law, rules and regulations, and I/we agree to accept such risks.
- 3.2 I/We acknowledge that as a shareholder I/we am/are aware of all corporate events in regards to the Securities invested by me/us. CGS-CIMB will process the corporate event to the best of CGS-CIMB's ability and I/we agree that I/we am/are prepared to assume the risks of delayed processing due to market condition, differences in time zones, or circumstances beyond CGS-CIMB's control (including but not limited to any acts or omissions of CGS-CIMB's agents or custodians). I/We agree to bear any and all charges incurred due to the processing of the corporate events in regards to the Securities invested by me/us.

4. RIGHTS ISSUE, WARRANT AND OTHER OPTIONS

- 4.1 Investing in rights issues, warrants and other options (each a "Right" and collectively, "Rights") carry the following additional risks:
 - (a) the Rights are wasting assets which become worthless when they expire. I/We run the risk of losing the entire amount paid for the Rights in a relatively short period of time. If I/we neither sell my/our Rights in the secondary market nor exercise them prior to their expiration I/we may lose my/our entire investment in the Rights;
 - (b) the fact that Rights become valueless upon expiration means that I/we must not only be right about the direction of an anticipated price change in the underlying interest, but must also be right about when the price change will occur;
 - (c) the more a Right is out of the money and the shorter the remaining time to expiration, the greater the risk that I/we will lose all or part of my/our investment in the Right. The greater the price movement of the underlying Securities necessary for the Right to become profitable (that is, the more the Right is out of the money when purchased and the greater the cost of the Right) and the shorter the time within which this price movement must occur, the greater the likelihood that I/we will incur a loss;
 - (d) the exercise provisions of a Right may create certain risks for me/us. If the Right does not have an automatic feature, I/we must, to exercise the Right, ensure that action is taken in a timely manner. Accordingly, I/we must give such instructions to, and where necessary make such payments in reasonably sufficient time as may be required by CGS-CIMB, for CGS-CIMB to exercise or procure the execution of such instructions. I/We acknowledge that failing to comply with CGS-CIMB's deadline may result in me/us losing my/our rights. On the other hand, if the Right has an automatic exercise feature such as one that will cause the Right to be automatically exercised at the expiration if it is in the money by a specified amount the Right may be exercised at a price at which I/we would not voluntarily choose to exercise in view of the transactions costs of exercise or other factors. The transaction costs associated with the exercise could even exceed the cash settlement amount of the Right, with the result that I/we would incur a net loss from the exercise; and
 - (e) in the case of Foreign Securities, the exercise of Rights may be subject to any applicable foreign rules, laws or regulations. It is possible that a court, a stock exchange or another regulatory agency having jurisdiction would impose a restriction which would have the effect of restricting the exercise of a Right. In such a case the Right would not be exercisable until the restriction was terminated. In the remote possibility that the restriction were to remain in effect until the expiration of the Right, the Right would expire worthless, and I/we would lose the entire amount that I/we paid for the option.

5. STRUCTURED WARRANTS

- 5.1 I/We understand and accept the following relating to structured warrants:
 - (a) the purchaser of a structured warrant is subject to the risk of losing the full purchase price of the structured warrants and all transaction costs;
 - (b) in order to realise any value from a structured warrant, it is necessary to sell the structured warrants or exercise the structured warrants on or before their expiry date;

- (c) under certain conditions, it may become difficult to sell the structured warrants;
- (d) upon exercise of the structured warrants, the issuer may settle its obligations via actual delivery of the underlying assets, in cash or a combination of both depending on the terms of the issue of the structured warrants;
- (e) the placing of contingent orders, such as "stop-loss" or "stop limit" orders, will not necessarily limit my losses to the intended amount. Market conditions may not make it possible to execute such orders;
- (f) the high degree of leverage that is obtainable from structured warrants because of the small initial outlay, can work against me/us as well as in my/our favour. The use of the leverage can lead to large losses as well as gain; and
- (g) this brief statement cannot disclose all risks associated with trading in structured warrants. Structured warrants: means individually or collectively as the context may require, call warrants, put warrants, basket warrants, bull equity-linked structures or such other structures that may be specified by Bursa Securities from time to time.

Structured warrants : means individually or collectively as the context may require, call warrants, put warrants, basket warrants, bull equity-linked structures or such other structures that may be specified by Bursa Securities from time to time.

6. NON-ADVISORY NATURE OF RELATIONSHIP

Unless I/we have a specific agreement with CGS-CIMB for the provision of financial advisory services I/we should note and accept that CGS-CIMB's relationship with me/us in relation to my/our securities and securities related transactions is purely as execution broker/dealer only or as a counter party to me/us. I/we acknowledge that I/we -

- (a) may not assume that any answers provided by CGS-CIMB or its employees or representatives in response to my/our queries are backed by any prior due diligence or research;
- (b) should not place reliance on any such answers;
- (c) should seek independent advice on the suitability of any Transaction based on my/our specific investment objectives, financial situation and particular needs.

7. TAX COMPLIANCE

7.1 I/We declare and confirm that:

- (a) I/We remain fully responsible for my/our own tax affairs and ensuring that both I/we and my/our accounts maintained with CGS-CIMB are in compliance with the tax laws of the relevant jurisdiction within which I/we reside, am domiciled in or a tax citizen of;
- (b) to the best of my knowledge, information and belief, I/we have neither willfully committed nor been convicted of any serious tax crimes;
- (c) I/we acknowledge and agree that I/we remain fully responsible for obtaining independent tax advice from a qualified adviser, and acknowledge that CGS-CIMB will not be responsible for nor will it provide any tax advice to me / us; and
- (d) I/we agree to notify CGS-CIMB (within 30 calendar days), or provide information requested by CGS-CIMB, if there is any change in my / our personal information or circumstances including, without limitation, any material adverse change in my / our financial condition or any change in the ultimate beneficial ownership of my / our account, citizenship, residence, address of record and any additional information which affects my / our tax position.

7.2 Subject to applicable local laws, I/we hereby consent to CGS-CIMB and its Affiliates sharing my/our information with domestic or overseas regulators or tax authorities where necessary to establish my/our tax liability in any relevant jurisdiction.

7.3 I / we also understand and agree that, CGS-CIMB may be required by domestic or overseas regulators or tax authorities to obtain additional documents and/or forms from me/us, which I / we will sign and/or provide, if I / we am / are subject to the relevant jurisdiction's laws or regulations. I / we understand and agree that CGS-CIMB may withhold and pay out from my / our account(s) such amounts as may be required according to applicable laws, regulations, directives, guidelines and/or agreements with domestic or overseas regulators or authorities.

8. OTHER RISKS

8.1 I/We should familiarise myself/ourselves with the protection accorded to any money or other property which I/we deposit for domestic and foreign transactions, particularly in the event of insolvency or bankruptcy. The extent to which I/we may recover my/our money or property may be governed by specific legislation or local rules. In some jurisdictions, property which had been specifically identifiable as my/our own will be pro-rated in the same manner as cash for purposes of distribution in the event of a shortfall.

8.2 Before I/we begin to trade, I/we should know all commissions, fees and other charges for which I/we will be liable. These charges will affect my/our net profit (if any) or increase my/our loss.

8.3 Transactions on markets in other jurisdictions, including markets formally linked to a domestic market, may expose me/us to additional risks such as different or diminished investor protection. Before I/we trade, I/we should enquire about any rules relevant to my/our particular transactions. My/Our local regulatory authority will be unable to compel the enforcement of the rules of the regulatory authorities or markets in other jurisdictions where my/our transactions have been effected. I/We should know and understand the types of redress available in both my/our home jurisdiction and other relevant jurisdictions before I/we start to trade.

8.4 The profit or loss in transactions in foreign currency-denominated Securities (whether they are traded in my/our own or another jurisdiction) will be affected by fluctuations in currency rates where there is a need to convert from the currency denomination of the contract to another currency.

8.5 Most open-outcry and electronic trading facilities are supported by computer-based component systems for the order-routing, execution, matching, registration or clearing of trades. As with all facilities and systems, they are vulnerable to temporary disruption or failure. My/Our ability to recover certain losses may be subject to limits on liability imposed by the system provider, the market, the clearing house and/or member firms. Such limits may vary. I/We should know and understand such risks before I/we start to trade.

8.6 Trading on an electronic trading system may differ not only from trading in an open-outcry market but also from trading on other electronic trading systems. If I/we undertake transactions on an electronic trading system, I/we will be exposed to risks associated with the system including the failure of hardware and software. The result of any system failure may be that my/our order is either not executed according to my/our instructions or not executed at all.

8.7 For off-exchange transactions, it may be difficult or impossible to liquidate an existing position, to assess the value, to determine a fair price or to assess the exposure to risk. For these reasons, these transactions may involve increased risks. Off-exchange transactions may be less regulated or subject to a separate regulatory regime. Before I/we undertake such transactions, I/we should familiarise myself/ourselves with the applicable rules and attendant risks.

8.8 I/We acknowledge that as a shareholder I/we am/are aware of all corporate events in regards to the Securities invested by me/us. CGS-CIMB will process the corporate event to the best of CGS-CIMB's ability and I/we agree that I/we am/are prepared to assume the risks of delayed processing due to market condition, differences in time zones, or circumstances beyond CGS-CIMB's control (including but not limited to any acts or omissions of CGS-CIMB's agents or custodians). I/We agree to bear any and all charges incurred due to the processing of the corporate events in regards to the Securities invested by me/us.
